

5th – 8th Grade Homework Club

Dear 5th – 8th Grade Parents,

We are happy to announce that the Homework Club Program for 5th – 8th grade students will begin Monday, September 19th after school. The program will be available Mondays - Thursdays, from 3:15-4:15 in room 601. Mrs. Kiser will be staffing this program. The fee will be \$10.00 per session, payable *preferably* in cash, if by check make payable to Denise Kiser. The Club is designed to provide a quiet setting in a classroom where students can get a jump on homework for the day. It will not be a one-on-one tutoring situation, but a place where they can get guidance and their questions answered on any problems.
