Dear Parents:

We look forward to your child(ren) continuing their education at WCCS. To assure your child's place this fall, please complete the enclosed Re-admission Application, sign it, and return it to the school office before February 1st with the initial deposit of the registration fee. ***If the registration fee is paid in FULL by February 10th you may pay the DISCOUNTED price of $350.00.***

We have already received many requests for applications for new students for September 2012 enrollment. Also our school brochures will be going out in the mail in February to the communities around us.

  $35.00 per student late fee charged on late registrations

The Registration fee is non-refundable and non-transferable. This fee includes the Technology fee and a yearbook.

We will continue with the 11-month payment schedule, as we believe it will help families with their cash flow. Your tuition payments will begin in July and continue through May. You will continue to have four options: once a year payment, twice a year payment, automatic debit, or payment sent to the WCCS office. Please read through the options on the Re-admission Application and indicate your choice.

Day Care will remain on a 9-month payment schedule and will begin in September and continue through May.

We have been pleased with the appearance of WCCS students in their uniforms. We will continue the mandatory uniform policy during the 2012-2013 school year. Red Dot is our uniform supplier. You can order from their website www.reddotuniforms.com. Our eighth grade students sell WCCS T-shirts in our school colors as well. We encourage you to support them as they earn funds for their Washington D.C. trip.

We are offering an incentive of $250 towards tuition for one child from your family if you are the person who actually recruits a new child who is not from a current or previous school family. The referred student must be accepted and become a student at WCCS for the current school year and attend a minimum of two months to qualify you for the tuition incentive. Tuition credit is applied towards your final tuition payment. Many WCCS families have benefited from making referrals. We hope many of you will use this opportunity to introduce new families to WCCS. The introduction letter to be used to report those you refer is enclosed in this packet. *The completed form needs to be submitted to receive the credit.*

It is a privilege to partner with you in your child's education. I pray God will bless you for the many sacrifices you make on behalf of your child's education.
