

## Tutoring

Dear Parents,

I will be offering small group tutoring on Tuesday, Wednesday, and Thursday afternoons from 3:00-4:00, as well as Monday and Wednesday mornings from 7:00am-8:00. I believe in tutoring and know it can help students who are struggling. Tutoring is a great addition to student's success in the classroom whether it be with me or another program. I will help students in any area they are struggling and help them with their homework and classroom assignments. The cost for tutoring is \$15 per session. However, I understand these are tough times, so if other arrangements need to be made please talk to me. ☺

I would like to know at the beginning of each week what days your child is planning on coming, so that I can ensure it stays a small group and I can give each student the individual attention they need. After tutoring, students need to be picked up by 4:15, or they will be sent to daycare.

Payments are due either Friday or every other Friday, which ever works best for you. You can pay in either check (made out to: ShaLee Baan Hofman) or cash.

I look forward to helping your child grow and excel this year in their studies! If you have any questions please do not hesitate to ask. ☺
