

Christmas Is Coming

December is upon us, and all the busy time and hopefully, fun times, too. We are preparing for the school wide musical that will be on Thursday, December 15th at 7:00 pm in the sanctuary.

We also want to make sure that you read over the Luke 2 scripture page nightly as we will do our own little Christmas pageant in Chapel, with a reading and enactment of these verses. You can record your reading time on your homework sheet.

In addition, please be informed of our last day (Friday, December 16th, 1/2 day) gift exchange plans and for our class party. Each child will need to bring to class one gift bag about the size of a cereal box, this will be their own bag. Please

purchase 23 small gifts and wrap each one, to give to each other. I am requesting the gifts not cost more than 50 cents each, and be small enough to fit in the box, so the children have one from each other plus one of their own. Some gift ideas are: mechanical pencils, "fruit by the foot", erasers, mini cars, pencil sharpeners, mini note tablets, fruit snacks, tiny books, a roll of pennies - all on the theme of inexpensive and little.

Be creative and have fun with this; your student can learn to shop wisely, and enjoy the giving and receiving !

The bags can come in at any time, to help decorate the room, and the gifts also are welcome as you have them ready.

Thank you for your help !
Mrs. Davis
