

Need Tutoring???

Dear Parents of students in the 4th-6th grades, I will be offering small group tutoring on Monday, Wednesday and Thursday. I will be available from 3:15-4:00 in room 302. The cost of the tutoring will be: \$15.00 for each session. I will help students in identifying difficult areas of study they might have and assist them in completing classroom and homework assignments as well.

*Please note that this is small group tutoring and therefore I need to know in advance if your child will be coming at the beginning of the school week. I want to make myself accessible to your child and not have a large group. I want to work with each individual to give him/her the attention and help that is needed.

In the case that myself or your child is absent from school, a tutoring make-up date can be done. If students are not picked up by 4:15 at the school they will be directed to sign into day care.

Payments must be received at the beginning (Monday) of each school week that the student is planning to attend. Checks can be made out to: Mrs. Hodgson or payments can be made in cash. I will begin tutoring the week of Monday September 21, 2009. I look forward to a positive school year with your child!

Yes, my child_____will be attending

your small group tutoring. I'm interested in having him/her attend on:

_____1 day a week @ \$15.00

_____2 days a week @ \$30.00

_____3 days a week @ \$45.00

The days that work best for this are: (Circle)

Monday Wednesday Thursday

I understand that payments must be made on the Monday that I would like my child to come in for tutoring.
