

# OUR GOALS

TO MEET EACH CHILD'S SPECIAL NEEDS.

TO FIND OUT HOW EACH CHILD LEARNS.

TO DISCOVER AND TEACH TO EACH CHILD'S STRENGTHS.

TO MAKE THE MOST OF YOUR CHILDS' LEARNING STYLE.

TO DO OUR BEST TO SEE THAT EVERY CHILD IS SUCCESSFUL...

It is very important to us that we meet the special needs of your child. We take into consideration each child's needs and do our best to teach them. We cannot do this without your help... We need you to help us teach your child responsibility and organization. We need to teach each child to think on their own.

We want every child to have a good self-image and to believe in themselves. We know this can be accomplished if we all work together. It is so very important that the child knows and feels the connection between school and home. With Gods help and yours this will be accomplished.
