

7th Grade World History

West Covina Christian School 2010-2011

Mrs. Phillips Room 701

Heb. 1:1-2 "God, who at various times and in various ways spoke in time past to the fathers by the prophets, has in these last days spoken to us by His Son, whom He has appointed heir of all things, through whom also He made the ages..".

Welcome to World History. His Story from creation to the present time has been about man's relationship with God. The development of towns, cities, kingdoms, and nations is all a part of God's plan. Many ages found people not following God's law and we will study who and what circumstances God used to get their attention and turn people back to Him.

By studying the past successes, as well as failures, of people and nations, my prayer is that each student will learn that God seeks a relationship with them through our Lord Jesus Christ. Also, that we will learn to be more Christ-like and encourage one another on our journey through. *His Story*.
