

1st Grade
Room # 502

Week of:
June 7, 2010

Dear Parents,

I hope that you each had a great weekend. With only a few days left in the school year we were able to finish our Language Arts Curriculum last week. I am very proud of my students and how quickly they picked up the material this year. For the next nine days, we will be reviewing various concepts and will be reading, reading and reading some more☺

We no longer have spelling words for the remainder of the school year. However, we do have a few math lessons yet to finish and a homework packet this wee. Your child will also need to continue reading for at least 20 minutes each night. Thank you.

In Christ,

Mrs. West
