## A Note from Mrs. Young

May has arrived! As we enter May, we prepare for a lot of fun and exciting events. We will have our final current event presentation this Friday. We are preparing for Astro Camp and our last field trip to the observatory. The music classes are preparing for the musical next week. You also received a permission slip for the choir party coming up. I am looking forward to an exciting month! If you have any questions in regards to all that is going on in May, please let me know ☺

The kids all did a great job reciting the preamble last week! This week they will be able to continue to show their knowledge of the U.S. government with our chapter 9 test on Tuesday!  
I hope you have a great week

Mrs. Young
